Be God's Hand—Touch the Needy

Thank you to men from Central and Oak Hil BC who picked up food ordered from MS Food Network this month.

A special thanks to those churches and individuals who have the Crisis Center in their monthly budget. Your gift plays a very important part in keeping groceries on our shelves and enables us to help families in need!

If you have a group who would like to do a special project, we are always in need of cleaning supplies, laundry supplies and personal care products.

MERIDIAN BSU

It never ceases to amaze me how quickly the school year just flies. It is hard to believe that we have just a few weeks left of this spring semester and our students are itching to get out for the summer. As we close out this school year, we would love for our prayer partners to lift up some big prayers for our students and our ministry.

First, pray for our students who are preparing for their finals, papers and projects. It is always a difficult and challenging time as everyone tries to finish out strong. Pray that they will maintain their focus on school as the weather becomes prettier and pray they can escape the temptations of putting off things to the last minute.

Secondly, pray for our students as they serve in area churches, summer camps and summer missions. We have been blessed with many talented students who God has called out to serve in many different ways. Pray for our Missions Banquet and that we can meet the missions goal.

Lastly, pray for the future of BSU on our campuses. Pray that God open doors for us to do what He has called us to do both in the ministry and future building projects.
