Be God's Hand—Touch the Needy

Thank you to men from Central BC who picked up food ordered from MS Food Network this month.

A special thank you to two SS classes who gave very generous money donations to the Crisis Center for Christmas. Those were

- * The Wilkerson SS Class from Highland BC, and
- * The McRae SS Class from Poplar Springs Drive BC.

We are currently working with two individuals who are homeless and are in the process of getting into their own homes. If you have household items that you would like to donate, they would be greatly appreciated.

Thank you for all that you do for the Crisis Center!

MERIDIAN BSU

We would like to thank you for all of the prayers for our mission team that went to the Dominican Republic over the Christmas break. We had a very good trip and were able to share with many about Jesus. We had one student who suffered a bacterial infection and dehydration, and he was down for a couple of days. After a quick trip to the doctor for some fluids and antibiotics, he recovered well.

The spring semester has gotten kicked off and we have resumed our normal activities. Please continue to pray for our campus ministries as we start up our College Bible Studies, pray that we can reach new students this semester, and pray that God calls out students to serve on next years leadership team. Also, be in prayer for Nicole Smith as she interviews on the state level for BSU Summer Missions. Pray that the Lord places her where she needs to serve.
